Who We Are

Founded in 1972, the Council of Smaller Enterprises (COSE) is the small business champion within Greater Cleveland Partnership, the region's leading economic development organization. We're proud to serve over 12,000 small businesses today.

Is COSE for me?

As the collective voice of small businesses, we understand the challenges of building a business from the ground up and believe in the power of community. Our programming and services are uniquely designed for businesses of any industry with 50 employees or fewer operating out of Greater Cleveland.

In Sync With Your Business

COSE serves as a resource and guide for small businesses at any stage in their development, and we take into account the unique needs of different segments including stage of business, industry, WBEs, MBEs, and more.

BUILD

Health Insurance

A wide range of plans tailored to the needs of small businesses.

Retirement

We can alleviate the administrative burden while securing low rates on 401(k) plans for your business.

Workers' Compensation

Save up to 53% on premiums and take advantage of expert consultation on safety, claims management, unemployment, and more.

Energy Programs

We can help your business save by reducing utility costs, improving energy efficiency, and financing energy-related improvements.

Payroll & HR Solutions

Breaks on tax services, direct deposit, quarterly filings, reporting, and a range of other administrative solutions.

Discounts & Savings

We negotiate group purchasing discounts on the products and services you need the most.

GROW

BIG Summit

Our annual Business Innovation and Growth Summit features groundbreaking speakers, business innovators, networking, workshops, keynote speakers, and more.

Cleveland Chain Reaction

This small business pitch competition connects businesses to capital, education, business plan coaching, and mentorship.

Online Education Hub

Go-to resources to support your growing business, including marketing and sales, tech, and a network of subject-matter experts.

Webinars & E-Newsletters

Stay up to date on the latest events, content, trends, offers, and more.

Navigation to Resources

Whether it's business strategy, creating a website, or onboarding new employees, we can guide you to the right solution at the right time.

Advocacy Events

Our small businesses connect with elected officials to impact legislative issues through forums, days at the Capitol, and ongoing conversations.

ENGAGE

Coffee with COSE

The perfect blend of support and collaboration for small business owners featuring a monthly topic in an informal roundtable discussion.

COSE Networking Nights

A series of evenings throughout the year to elevate your professional network, exchange ideas, and forge connections with like-minded entrepreneurs.

Peer-to-Peer Groups

Share insights, challenges and best practices, and receive invaluable support from your fellow entrepreneurs in a confidential, trust-building environment.

Small Business Caucus

Make your voice heard by providing input, testimony, and experiences to influence legislative and regulatory issues that matter to you.

Committee Engagement

Your opportunity to help shape COSE and small business growth, with committees across Education, Public Policy, Membership, Marketing, Business Connections and more.
