

Monika Moss-Gransberry: Professional BIO

Monika Moss-Gransberry, best selling author, self-mastery coach, organizational Consultant, President/CEO of MKM Management Consulting

For over 35 years, Monika transforms organizations and builds the capacity of individuals as a coach and consultant through her company, MKM Management Consulting. She is a trusted partner to entrepreneurs, nonprofit executives and corporate leaders in assessing their situations, expanding their thinking, and exploring options. She is the author of *The Technology of Doing Creating & Being: Engineering the Transformation of Your Life Using Self-Mastery as the Spiritual Blueprint*; and *Life Mapping: A Journey of Self Discovery and Path Finding*, where she shares how readers can map their own lives and transform their reality. She serves on the faculty of the Goldman Sachs 10,000 Small Business Initiative and the Gestalt OSD Center.
